Canada

Hazards of Electricity

Focus on workplace electrical safety and the application of industry-accepted standards to effectively manage arc flash and electrical shock hazards. Review of the latest version of NFPA70E and OSHA Subpart S. This course will take place on December 8, 2015 starting at 8:00am to 4:30pm

New Online Training

The Public Computer Labs now has access to a wide range of online skills library through Lynda.com. An online subscription library that teaches the latest software tools and skills through high-quality instructional videos. There is a limited number of licenses available to Akwesasne community members and businesses for 6 weeks at a time.

Business Development Services: A

representative from SUNY Canton Small Business Development Center (SBDC) to provided individualized business counseling and assistance on a weekly basis by appointment. Services are for start-up and existing business in a variety of areas.

Personal Financial Literacy Assistance:

The SRMT Office of Economic Development (OED) is teaming up with SeaComm Federal Credit Union to bring personal financial literacy assistance to community members to better understand their personal finances. Topics include, but are not limited to, understanding net worth, goal setting, budgets, credit reports and identity theft.

For more information regarding any of these trainings please contact Mary Lafrance at the SRMT Office of Economic Development (OED) at 518-358-2835 or mllafrance@srmt-nsn.gov.
